

## Action Plan Km - 3 – School Visiting

### Step 1: Read the Nicholas-Megaron Talk (Km - 3)

Thorough reading of Dialogue Km -3 will allow you to understand:

- (i.) The importance of visiting the schools before submitting your application;
- (ii.) The best moment to schedule a visit to the campus;
- (iii.) The actions you must take in order to take the most of your visit.

### Step 2: Consider a visit before you submit your application package

Students who maximize their effort to visit the campus plan their visit early.

### Step 3: Act

Download the Excel file **Megaron\_School Visiting\_Km -3.xls** and consider the following actions:

- (i.) Start your planning. Plan the date of your trip;
- (ii.) Build your network: seek as many Brazilians as you can who are currently attending MBA programs. Cold-call if you need to. Send an email to the school's Latin Club. You will be surprised by their receptivity;
- (iii.) Read what MBA students who hosted Brazilians on campus said;
- (iv.) Take the most of your visit reading the testimonials of former marathoners who visited the schools.

Note: the file is in **Nicholas-Megaron Talk (Km - 3)**

Enjoy your trip.
