### Introduction

Dear XXX,	Dear members of the Admission Office,	Dear Mr. XXX,
-----------	---------------------------------------	---------------

### Presentation

I have been placed on the waitlist for the MBA class of XX at XX X and I write to reinforce my interest in the program. XXX is undoubtedly my first choice for a business school. I would also like to inform you that I will be in XX next week exclusively to visit the campus, attend a class, and get more acquainted with the students and the environment.	My name is XX and I am a R2 full-time MBA applicant from Brazil. After a lot of research on XX with a few current students and alumni, I am positive that XX is the best choice for my career aspirations and personal interests.

### Development

My visit to SCHOOL X and the opportunity to interview made me further enthusiastic about attending your MBA program. Also, it was very nice to meet you and I appreciate all your attention and time to my application. During my stay, I could observe the students interaction and sharpness on the XXX issues on the class I attended and I was fortunate enough to participate on the monthly partner and family lunch, so I could imagine my wife and kids enjoying such an enthusiastic environment. I also confirmed my impressions on the school and the campus: the classroom structure, the modern façade, and kindergarten for students' children were also enthusiastic. The visit could not benefit me more: I now hold no doubt that XXX will meet all my expectations and needs regarding higher business education. XXX offers what I need in order to make XXX to a higher competitive level in the international business scenario.	I was approved in other great MBA programs (XXX and XXX, this last one with XXX scholarship) but, by far, XXX is my first option and that is the main reason why I asked for some time off at my job and I went on this trip to visit the school. I wanted to know the school better and to have the opportunity to talk to somebody from the admission's office and I am glad I did both: the XXX class of professor XXX in XX was an incredible experience and I was also lucky to know XXX, so he could introduce me to you.

## Action

---

As you must remember from our conversation, I am also awaiting the decision from XXX. I have given a lot of thought to the two excellent options and I am willing to withdraw my candidacy to the latter, for I am convinced that XXX is a much better fit for me. <b><u>Thus, if admitted to XXX, I would accept the offer without any hesitation.</u></b>	My interviewer, XXX (MBA' XXX), endorsed my willingness to express to your Committee that XXX is my first option: I would just like to state formally that if accepted next XXX, <b><u>I will promptly withdraw my candidacy process to the other MBA schools. I will be honored to enroll XXX.</u></b>	I would very much appreciate an opportunity to meet with you to further detail my motivation to attend XX, explain any possible issues on my application, and of course, prove my enthusiasm about joining the class of XXX while enhancing my chances of admission.
