### Intro

---

Dear XXX,	Dear members of the Admission Office,	Dear Mr. XXX,
-----------	---------------------------------------	---------------

### Presentation

---

I was delighted to have the opportunity to visit the University of XXX on XXX, to speak with current students, to attend a lecture and to get a better feeling for the MBA program and the XXX community. I was truly impressed by the XXX and have no doubt that it is the best program to help me achieve my personal and professional goals. **If accepted from the wait list, I will immediately enroll.**

### Development

---

I would like to provide some feedback on my recent campus visit. In addition to delivering an excellent interactive lecture on options and futures, Professor XXX handed out a xxx that allowed me to better understand the type of questions faced by XX students and the expectations placed on them by professors. The XXX's focus on teaching theory and decision-making models to students matches my XXX and will complement my extensive practical work experience with new ways of analyzing problems. The quality of the XXX students is largely responsible for my enthusiasm for the program. XXX (MBA candidate '03) and XXX (MBA candidate ' XXX) provided valuable feedback on the MBA and XXX programs during the on-campus information session, while impressing me with their openness, experience, communication skills and positive attitudes. MBA candidate' XXX, a Brazilian, and one of the XXX students who accompanied me to lunch, also strengthened my conviction that the XXX will position me to achieve my goal of XXX. My fiancée, XXX, and I are currently XXX or wedding ceremonies in Brazil and in the US. We will be getting married on the XXX in June XXX and in XXX in XXX.
