

Action Plan Km - 5 – Lack of Leadership

Step 1: Read

A thorough Reading of **Dialogue Km -5** will help you understand:

- i.) WHY MBA Admission Committee (AdCom) members seek evidence of social/group/community actions in the stories of any applicant;
- ii.) How you can fill any possible gap regarding leadership. Even if now, very close to the submission of your candidacy;
- iii.) The various options of actions that you can take at this moment.

Step 2: Reflita

Consider the three dimensions in which you can act upon before you can send you application package and ask yourself the following question: **“Is there any social/group action that I believe is worth engaging this year?”**

- i.) College;
- ii.) Community;
- iii.) Professional.

Step 3: Act

Dear applicant,

Congratulations on getting involved in your MBA project way ahead of time.

Pick something that really speaks to your heart and find a way to a meaningful social/group contribution.
